Using your journal, or the space below, express your thoughts about being a piece of God. Can you truly feel and know your Divine Self that lives within you? Could there something more significant that is you?

---

---

---

Do you feel as though you are a Lighthouse for others here on earth? Why? Why not?

---

---

Ask yourself right now in the quiet of your own heart, "Is this really true? Am I that magnificent? Am I surrounded by this kind of energy, with tools of co-creation? Can I really show this kind of Light to the earth?" Can you realize your magnificence? Express your feelings below:

---

Do you feel that you were born with the tools of co-creation? If so, how have they worked for you? How could you work with them as a Creator more effectively?
